# Need a Parent Account?

A MyCBE / PowerSchool Parent Account will allow you to access a number of supported technologies and tools at the Calgary Board of Education, including:

- Access to your children's academic information (schedule, grades & attendance)
- View your children's learning using Brightspace by D2L
- Register for transportation and noon supervision
- Pay fees online and request waivers
- Book school conferences

If you have not yet created your parent account, please click on the link below and follow the step by step instructions.

You will also need your student's CBE ID to create the account - your student should know this.

If you have any questions, please don't hesitate to contact the school.

Thanks and have a great day
